

Poppy England: ***gets out a bottle of Tequila and a shot glass***

Poppy England: ***picks up a lovely ornamented silver salt cellar with 'property of LAB' inscribed upon it just in case anyone gets ideas**

Poppy England: **don't suppose anyone fancies doing a bodyshot? that always makes tequila taste stronger**

lilsami1998: oooooos body shots?

Poppy England: ***pats the bar***

Poppy England: **come on sami, up you get**

lilsami1998: *giggles

Steffanie: lilsami's first bodyshot,

lilsami1998: *turns and slips my butt on the bar *turns and lays flat on my back

lilsami1998: what about my tank dress poppy?

Gabriela92: sets an extra bottle of tequila between Sami's thighs to obstruct the view up her dress.

lilsami1998: *giggles and tightens my legs on the bottle

Gabriela92: if you widen them, I can scoot the bottle in closer for better protection, Sami.

lilsami1998: *giggles and spreads my legs a bit wider

lilsami1998: *the heels of my platform pumps up against my butt

Gabriela92: slides the bottle slowly closer, grazing Sami's thigh until the bottle touches the crotch of her panties.

justjim_9: mmmm that is very nice sami you look like your enjoying it all

lilsami1998: *oooss and wiggles

lilsami1998: *giggles thats cold

lilsami1998: *smiles up to jim

Poppy England: ***smiles and nods, pulls out a shot glass and bottle of chilled Absolut Vodka**

Poppy England: ***fills the shot glass with the vodka and steps back, sealing the bottle***

Gabriela92: strolls over toward Sami's head, glancing down and appreciating the swell of her cleavage as it stretches her tight tank dress.

justjim_9: i smile back at sami

lilsami1998: *smiling up at gabriela as she moves up

Gabriela92: runs my knuckles lightly up the outside of Sami's bare arm.

lilsami1998: *smiles and shivers lightly at gabrielas touch

Poppy England: ***puts the bottle away and leans against the rear of the bar, watching the body shot**

lilsami1998: *smiles and wiggles my hips *pulls the tank dress hem up just under small round breasts *black panties snug over the ticklish bits

Gabriela92: care to do the honors, Jim?

lilsami1998: *tequila bottle blocking the view

lilsami1998: *giggles up at jim

Gabriela92: squeezes a lime in a line from Sami's panty line up her tummy, to just below

her bustline.

justjim_9: wow its getting hot in here

lilsami1998: no jim sorry but that shot will do well right here on my belly

lilsami1998: *giggles and shivers softly *ooooo from the cool lime juice

Gabriela92: sprinkles salt over the lime juice, and softly blows the excess off Sami's tummy with warm breath.

Poppy England: ***watches carefully***

justjim_9: i gaze upon sami's body as gabriela takes the lime and eases over sami's body

Gabriela92: pours a small pool of tequila into Sami's navel, and places a shot glass full of it between her breasts.

lilsami1998: *bites my bottom lip to keep from giggling and wiggling

lilsami1998: *holds sooo still

Gabriela92: I think she's all ready for it, Jim... have at it!

lilsami1998: *looks over at jim

Poppy England: ***folds her arms and grins***

justjim_9: i look over at poppy and smiles to her as i catch sami looking at me

Gabriela92: make sure you don't miss any of the lime juice and salt with your tongue, of course, Jim.

justjim_9: as i move closer to sami

lilsami1998: *holds sooo still *tries not to giggle and spill the tequila

justjim_9: i slowly decend closer to her navel and my tonque gently runs over her navel

Gabriela92: giggles as I tuck the squeezed lime wedge halfway into the waistband of Sami's tight black panties.

justjim_9: mmmmmmmm her skin feels so soft

Gabriela92: leans down and whispers into Sami's ear, "You look incredibly sexy."

lilsami1998: *wiggles gently as i feel jims tongue licking *giggles at gabrielas whisper

justjim_9: oh how i want you sami as i toch her on her thigh

lilsami1998: *looks down at jim licking slowly *hips gently rocking

lilsami1998: *giggles and nods down dont forget the shot jim

Gabriela92: turns my head to watch Jim work, flicking the edge of Sami's ear lobe with the tip of my tongue.

justjim_9: oh it tastes so nice sami

justjim_9: gently i run my tonque all over sami's belly

justjim_9: sami you are so sexy i need you as i gaze into her eyes

Gabriela92: I expect it would, Jim... she's very sexy.

Gabriela92: Sami... still with us?

lilsami1998: *slips back onto the barstool

justjim_9: and takes your hand as i help you on the stool

justjim_9: and looks at your body and gives a sigh
