

**GetnFitGirl:** 🤔 kips out of the changing room in a pair of daisy duke shorts and a light pink bikini top, smiling as i hop onto the bar:

**dirtyrpgirl:** smiles at fit..and steps up on the bar,wearing a little white pleated skirt and a pink halter top.....with thick cork sandals that lace up my calves.....

**GetnFitGirl:** 🤔 smiles as i cross my legs and wink and then lay onto my back on the bar, watching dirty:

**daviddirects:** *sips my drink...watches the preparations on the bar...*

**dirtyrpgirl:** opening the bottle of patron and pours 2 shot glasses...and pulls out 2 lime wedges from a bowl....getting prepared

**dirtyrpgirl:** sheks my head at fit.....and stretches out her long legs...and as i smile up at her...i unbutton her shorts and shimmey the zipper down ,exposing her panties

**sweet\_rodeo\_girl:** rocks side to side and lets my young body rock with the beat

**GetnFitGirl:** oops, guess i needed to take that off for you :winks and wiggles my ass to help her slide off my shorts:

**dirtyrpgirl:** then i lean over her and place a filled shotglass to her bikini top...setting the glass into her cleavage....dont move...i whisper

**dirtyrpgirl:** NOOOOOOOOOOOOOOOOOOOOO...keep them on !!!....giggles

**GetnFitGirl:** or not.. sheesh, sorry, just a rookie at this! :giggles as i try not to move, holding the shot glass still:

**sweet\_rodeo\_girl:** omg did i just see that?

**trisha\_29:** *leans back..stretching my legs out...watching the girls*

**dirtyrpgirl:** watching as some of the patron spills out of the shotglass as fit moves

**dirtyrpgirl:** licking at the patron on fit's breasts....then kneeling on the bar....raising the hem of my short skirt,exposing the pink lace panties i have on...i set the 2nd glass down to her sexy skin just above the waistband of her panties

**dirtyrpgirl:** scooting back some on my knees on the bar...wiggling my ass as it hangs from under the skirt...letting my tounge sink into the shot glass at her opened shorts

**GetnFitGirl:** omg :holds myself even more still seeing more patron at my waist.. looking up at dirty and smiling as my breasts rise and fall steadily, watching another drop spill onto my breasts:

**trisha\_29:** *squirms a little in my seat watching my babygirl*

**dirtyrpgirl:** looking up at fit as i let my wet tounge slide up from the top of her panties to her bellybutton as i kneel on my hands and knees on the bar

**dirtyrpgirl:** tracing my tounge higher up fit's bare skin.....letting the tip of my tounge leave a trail of patron on her tummy

**GetnFitGirl:** Purrs softly as i arch my back a little bit, again not moving but pushing my toned stomach up towards dirty's mouth:

**dirtyrpgirl:** ....sittting back on my knee's...i sprinkle some salt on the wet trail of patron on fit's body

**sweet\_rodeo\_girl:** jumps up an down this is my tuneeeeeeeeeeeeeeeeeeeeeeeee

**dirtyrpgirl:** then..falling back to my hands and knees...i dip my tounge into the shotglass at her cleavage..and trace my tounge to her breasts,just above the bikini top

**GetnFitGirl:** :winks and reaches over to grab a lime slice and puts it in my mouth, holding it tightly as goosebumps come across my skin:

**dirtyrpgirl:** and lightly sprinkle salt to that trail...smiling down at fit

**dirtyrpgirl:** you do not have a profile filled out ryadoo...fix it or feel my rath !!!

**dirtyrpgirl:** smiles at fit..and takes a lime wedge and tucks it in the top of her panties

**dirtyrpgirl:** giggles baby !!!

**dirtyrpgirl:** multi-tasking !!!

**GetnFitGirl:** oooh :giggles as the lime juice trickles under my panties:

**dirtyrpgirl:** now..i slide back down rubbing the crotch of my panties to your legs as i lick up the top of your panties to the shotglass just above them

**dirtyrpgirl:** lifting my face to put my mouth to the shotglass.....taking the thick glass tightly to my teeth.....

**dirtyrpgirl:** love this song !!!!!!!!!!!!!!!!!!!!!!!

**dirtyrpgirl:** then.....quickly...i lift my head up and toss the shot back into my mouth

**GetnFitGirl:** :whimpers as i raise my arms over my head to control my sensations.. abs heaving faster after she picks the shot glass off me:

**dirtyrpgirl:** spitting out the shotglass to the bar after swallowing the patron.....then i lean back and with my teeth take the lime wedge from fit's panty waistband

**dirtyrpgirl:** biting hard to it....watching as the juice runs to her panties

**GetnFitGirl:** now i have two reasons to be wet :giggles as i feel the sour juice irritating but also pleasing underneath:

**dirtyrpgirl:** then.....spitting the lime wedge into a trash can behind the bar.....i let my tounge roll up her body as i lick the salt....crawling up her body as i do....making my way to the 2nd shotglass

**dirtyrpgirl:** my panty covered cooter just above heres....feeling the heat through the fabric as i put my mouth over the 2nd shotglass...my eyes gazing into fits as i position the glass to my teeth

**GetnFitGirl:** Stares back into dirty's eyes with an equal fire.. as she crawls on top of me i feel more of her body heat against mine: wow it's hot in here

**dirtyrpgirl:** then.....as i dip my crotch to hers...i arch my head back and take the 2nd shotglass and shoot the patron back

**dirtyrpgirl:** spitting out the 2nd glass after swallowing the patron...and taking the lemon wedge from fits mouth...biting into it....feeling the juice run to her lips.....teasing her with my lips on the lemon as i rub it to her mouth

**dirtyrpgirl:** then i tug it from her mouth...and spit it to the trash can...and pull my hair from my face...as i bend back down and lick the salt from her breasts

**GetnFitGirl:** Pushes my breasts up as i arch my back, giving dirty better access to get into the main crevice:

**dirtyrpgirl:** rolling my tounge to each side of her breasts,to the cleavage and up her neck and to her lips...kissing her deeply

**dirtyrpgirl:** grinding my body down to hers as we lay on the bar.....most of the back of my panty clad ass exposed from under my skirt

**dirtyrpgirl:** my hand in her hair as the kiss gets hotter

**GetnFitGirl:** turns my head to the side a bit and pushes up into the kiss, wrapping each of my ankles around her ankles to pin her down on me

**dirtyrpgirl:** sliding back and forth to you on the bar...grinding my body to your as the kiss

lingers

**GetnFitGirl:** :breaks the kiss and looks up at her and whispers: mmm thank you

**dirtyrpgirl:** then...slowly pulling away from you...i whisper....and thats how i give a bodyshot....giggling as i stand back up on the bar....my feet at the sides of your shoulders...my panties showing to you as you lay on the bar looking directly up my skirt...as i offer you my hand to help you up

**GetnFitGirl:** :reaches up and takes her hand, hopping onto the bar, smiling and giving her a wet hug:

**dirtyrpgirl:** mmmmmmmmmmmmmmmmmmmmmmmmmmmmm...smiling and kissing you one more time before helping you step onto a barstool and follwing you down to the floor.....patting your behind as you close and zip up your shorts

**Ky Kerry:** 🏆 ..... 🎉

**dirtyrpgirl:** smiles..thank you kerry.....blows you another kiss , as the patron rushes to me head....whew !!!
